Final Code:

Use the first digit from codes at points 1-6 to reveal your final code.

When you have finished, return to the Visitor Centre to collect your prize.

Can you crack the code to reveal the secret of the black diamond?

Join time-travellers Kit and Echo as they journey through Elsecar's past, uncovering hidden stories as they go.

Scan the QR code at each trail point to explore Elsecar's past. Use the map on the back of this postcard to help you find trail points across the site.

In each video you see, you will hear a number. Keep a note of this. You will need it to crack the code at point 8.

This trail was devised by Next Big Thing, Barnsley Museums young creatives group, working with artists Gemma Wheelan and Becky Newbould, aka We Great Ladies. Aged between 13-19, the group takes part in creative activities and works on exciting projects with Barnsley Museums, Barnsley Libraries, Barnsley Civic and more.
