Storying Barnsley Exhibitions

We'd like to invite you to join us to celebrate 'Storying Barnsley' and the programme's three years of creativity across the borough.

Through a series of exhibitions across the town centre, members of the public will be able to experience and find out more about the work that has brought communities and artists together.

'Storying Barnsley' is a celebration of the identity and creativity of local communities and artists. Funded by Arts Council England, Barnsley Council's Cultural Development Fund programme has supported three years of creative activity primarily across the towns of Cudworth, Goldthorpe, Hoyland, Penistone, Royston and Wombwell.
